

Jeanette's Easy Creations

Email me a photo of your cherished lawn ornament (front and back views please) to georgiogiovanni@icloud.com and I will promptly return your email. I do this as a hobby and I only service Spring Hill and Brooksville areas. Upon pickup of your ornaments I will provide you with a receipt for your ornament. I will return it to you, thus no mailing is required. You may pick the colors of your restoration project if you'd like to. Restored pieces will be returned within one week. Items that are broken and need repair will be returned within two weeks. Depending on extent of damage, an additional, nominal fee may be required. Cracks and small missing pieces like eyes, no additional fee is required. Any additional fees will be discussed at time of pickup so that you may decide.

Payment will be due at the time that your repaired ornament is delivered to you. All items receive two layers of a clear coat to protect them from damage that typically occurs from lawn sprinklers and rain.
